GIVE me AFRICA

Ask of Me and I will make the nations your inheritance... Psalm 2:8

**Zambia Partnership** In 2000 AIA Canada targeted the development of sustainable sports ministries in South East Africa (SEA). The initial partnership country was Zambia and now ministries are established in Kenya, Malawi, Rwanda, South Africa, Uganda, and Zimbabwe. Literally millions of people have been exposed to the gospel through sports outreach and discipleship events. During these 12 years, AIA ministry trainers and sports teams from around the world have partnered in the establishment these AIA international ministries.

AIA is committed to building movements of sports ministry by surfacing and training international sports leaders in how to reach their nation for Jesus Christ. AIA Canada now serves as a training resource providing on-going training to equip nationally led sports ministries to reach the next generation of sports leaders in their country and throughout SEA.

Help us share ministry tools and the message of hope to nations that live on the edge of hopelessness where death lives as everyone's neighbor!

Bringing LIFE to the nations as their inheritance!
